The Standing Senate Committee on Energy, the Environment and Natural Resources

Dear Ladies and Gentlemen,

On behalf of Save Ojibway, I respectfully submit comments regarding the inaccuracies for the mapping of Bill-248 (*an Act to amend the Canada National Parks Act (Ojibway National Urban Park of Canada)*). Bill-248 **cannot pass with the current mapping**. It does not include all Ojibway Prairie protected park lands.

SUMMARY OF COMMENTS:

A comparison of Bill C-248 Urban Park Polygons and actual protected Natural Areas (green outlined areas) is in stark contrast (p. 2). Further, the "Restoration Area/Addition to Ojibway Park" due to ESA Permit AY-C-004-14 (as indicated by the red circle on p. 2 and on p.3) is missing. Bill C-248 mapping is inaccurate in three parks;

- Ojibway Park
- The Ojibway Prairie Provincial Nature Reserve
- Spring Garden Natural Area

Save Ojibway

Save Ojibway presently represents 5 000 members in the Essex County community. The group was created to protect the Ojibway Complex from a proposed adjacent big box commercial development withing within 40 m to Ojibway Park and the Ojibway Prairie Provincial Nature Reserve in 2009 and continues to date.

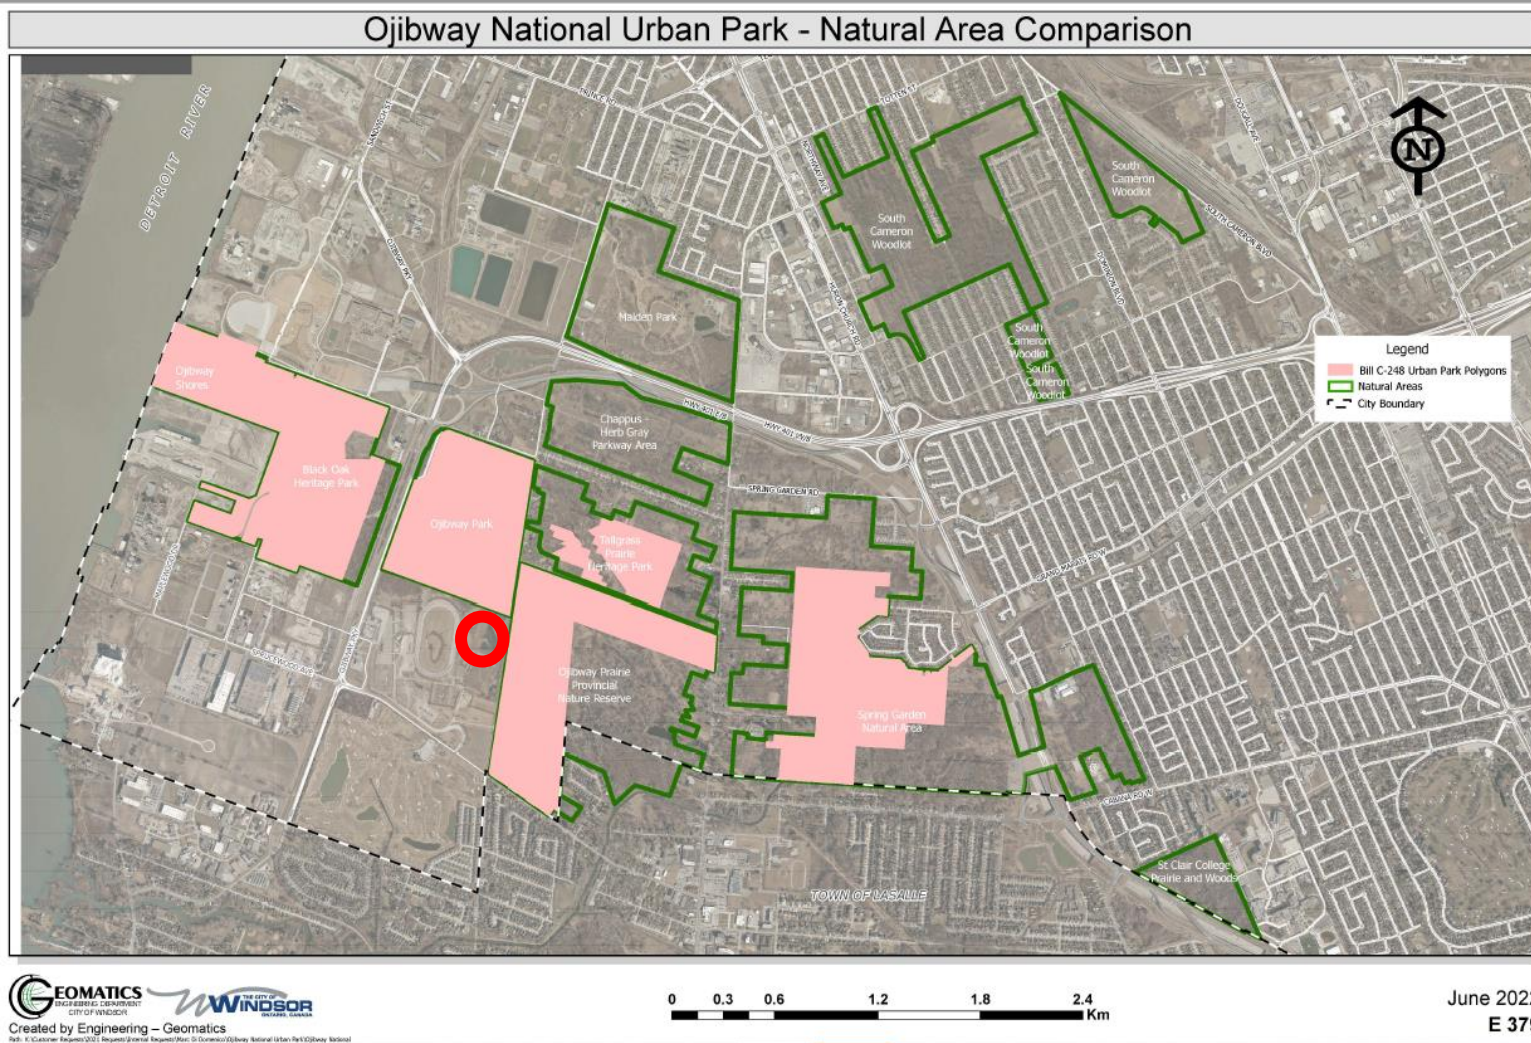

Thank you for your time protecting this unique, rare, globally endangered ecosystem.

Sincerely,

A handwritten signature in black ink that reads 'N. Pancheshan'.
