Changement climatique, impact du, **8:51**
- Bélanger, Gilles**, chercheur scientifique, physiologie et agronomie des cultures, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **15:44-57,59-61,63-4**
- Bergeron, Yves**, chaire industrielle UQUAT/UQAM en aménagement forestier durable, Université du Québec en Abitibi-Témiscamingue
Changement climatique, impact du, **15:66-79**
- Betts, Richard**, scientifique principal (écosystèmes), Bureau météorologique, Hadley Centre for Climate Prediction and Research
Changement climatique, impact du, **16:47-54,57-9**
- Blackwater, Andy**, aîné, Tribu des Indiens du Sang
Changement climatique, impact du, **11:50-2**
- Bootsma, Andy**, associé de recherché honoraire, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **15:48-9,55-9,62-3**
- Bourque, Alain**, coordonnateur, région de Québec, Réseau canadien de la recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **5:18-33**
- Bradley, Cheryl**, Federation of Alberta Naturalist
Changement climatique, impact du, **11:18-26**
- Brenning, Michele**, directrice, Bureau de l'Environnement, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **4:20,27,36-8,41-2**
- Brigden, Allan**, vice-président, Prairie Pasta Producers
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **22:35-7,44,46,48-50**
- Brklacich, Michael**, professeur, Département de géographie et études de l'environnement, Carleton University
Changement climatique, impact du, **13:5-21**
- Bryant, Christopher**, professeur et président, Commission de l'UGI sur le développement durable et les systèmes oraux, Université de Montréal
Changement climatique, impact du, **16:28-42**
- Bryanton, Debra**, directrice exécutive, Salubrité des aliments, Agence canadienne d'inspection des aliments
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **20:58,66-7,69**
- Burnett, Peter**, directeur par intérim, Centre de recherches de Lethbridge, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **11:52,65-6**
- Burton, David**, chaire de recherche en changement climatique, Nova Scotia College of Agriculture
Changement climatique, impact du, **15:100-8,117,119-22**
- Byrne, James**, professeur, University of Lethbridge
Changement climatique, impact du, **11:5-18**
- Charbonneau, Daniel**, greffier du Comité
Ébauche de budget, **1:16; 7:74**

- Creighton, Eugene**, Legal Council, Blood Indian Tribe
Climate change, Impact of, **11:45-9**
- Currie, Cynthia**, Chairperson, National Farm Products Council
Value-added agricultural, agri-food and forest products, **20:6-11,13-24**
- Daigle, Jean-Louis**, Executive Director, Eastern Canada Soil And Water Conservation Centre
Climate change, Impact of, **15:108-19,121-2**
- Degenhardt, Keith**, Director, Wild Rose Agricultural Producers
Climate change, Impact of, **10:28-37**
- deMarsh, Peter**, President, Canadian Federation of Woodlot Owners
Climate change, Impact of, **7:25-42**
- Djilali, Ned**, Director, Institute for Integrated Energy Systems, (IESVic) University of Victoria
Climate change, Impact of, **12:82-8,97-8,103-4**
- Dore, Mohammed H.I.**, Professor of Economics, Brock University
Climate change, Impact of, **14:32-49**
- Dorrell, Gordon**, Acting Assistant Deputy Minister, Research Branch, Agriculture and Agri-Food Department
Climate change, Impact of, **4:13-27,31-42**
- Duinker, Peter N.**, Manager, Atlantic Region, Canadian Climate Change Impacts and Adaptation Research Network
Climate change, Impact of, **5:5-18,31,33**
- Duncan, Janet**, Farmer, National Farmers Union
Climate change, Impact of, **7:44,50-2,57-9**
- Egginton, Paul**, Executive Director, Climate Change Impacts and Adaptation Directorate, Natural Resources Department
Climate change, Impact of, **3:11,39-41,45-6,51,55-6**
- Evans, Brian**, Chief Veterinary officer of Canada, Canadian Food Inspection Agency
Bovine spongiform encephalopathy, **21:39-41,45-7,50-6,58-60**
- Fox, Elliot**, Chair of Lands, Blood Indian Tribe
Climate change, Impact of, **11:43-4**
- Gameda, Samuel**, Research Scientist, Soil, Water, Air and Production Systems, Agriculture and Agri-Food Department
Climate change, Impact of, **15:41-4,48,51,53,57-9,61,64-5**
- Giesbrecht, Larry**, President, BioGem Power Systems Inc.
Climate change, Impact of, **10:90-2,94-5**
- Gladue, Trevor**, Provincial Vice-President, Metis Nations of Alberta
Climate change, Impact of, **10:108-9**
- Grant, Robert**, Associate Professor, Department of Renewable Resources, University of Alberta
Climate change, Impact of, **10:48-57**
- Guyon, Bart**, Vice-President, Alberta Association of Municipal Districts and Counties
Climate change, Impact of, **10:71-9,81-6**
- Haddow, Paul**, Executive Director, International Affairs, Canadian Food Inspection Agency
Value-added agricultural, agri-food and forest products, **20:65-7**
- Haney, Ted**, President, Canada Beef Export Federation
Value-added agricultural, agri-food and forest products, **22:5-29**
- Hardy, Neal**, President, Saskatchewan Association of Rural Municipalities
Climate change, Impact of, **9:14-26**
- Clair, John**, président, Saskatchewan Soil Conservation Association, Agricultural Producers Association of Saskatchewan
Changement climatique, impact du, **9:123-4,126-8,131**
- Clark, Sue**, coordonnatrice générale, North Central Municipal Association
Changement climatique, impact du, **12:61-8**
- Cline, Eric**, ministre de l'Industrie et des Ressources, gouvernement de la Saskatchewan
Changement climatique, impact du, **9:98-111,114-5,117-8**
- Cohen, Roger D. H.**, professeur, University of Saskatchewan
Changement climatique, impact du, **9:69-76,82-6,88**
- Cohen, Stewart**, conseiller scientifique, région de la Colombie-Britannique, Réseau canadien de recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **6:13-24,26,30-1,33-4,36,40-4**
- Courtin, Gerard**, professeur émérite, Université Laurentienne, Réseau canadien de recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **4:64-5,68-9,71-2**
- Cox, Peter**, directeur, Chimie du climat et écosystèmes, Bureau météorologique, Hadley Centre for Climate Prediction and Research
Changement climatique, impact du, **16:42-7,53-60**
- Cox, Roger**, chercheur scientifique, Service canadien des forêts (santé des forêts), ministère des Ressources naturelles
Changement climatique, impact du, **16:5-10,15-20,22-8**
- Coxworth, Ann**, coordonnatrice du programme des bénévoles, Saskatchewan Environmental Society
Changement climatique, impact du, **9:66**
- Creighton, Eugene**, conseiller juridique, Tribu des Indiens du Sang
Changement climatique, impact du, **11:45-9**
- Currie, Cynthia**, présidente, Conseil national des produits agricoles
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée
20:6-11,13-24
- Daigle, Jean-Louis**, directeur général, Centre de conservation des sols et de l'eau de l'Est du Canada
Changement climatique, impact du, **15:108-19,121-2**
- Degenhardt, Keith**, directeur, Wild Rose Agricultural Producers
Changement climatique, impact du, **10:28-37**
- deMarsh, Peter**, président, Fédération canadienne des propriétaires des lots boisés
Changement climatique, impact du, **7:25-42**
- Djilali, Ned**, directeur, Institut des systèmes énergétiques intégrés, (IESVic) University of Victoria
Changement climatique, impact du, **12:82-8,97-8,103-4**
- Dore, Mohammed H.I.**, professeur d'économie, Brock University
Changement climatique, impact du, **14:32-49**
- Dorrell, Gordon**, sous-ministre adjoint intérimaire, Direction générale de la recherche, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **4:13-27,31-42**
- Duinker, Peter N.**, gestionnaire, région de l'Atlantique, Réseau canadien de la recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **5:5-18,31,33**
- Duncan, Janet**, agricultrice, Syndicat national des cultivateurs
Changement climatique, impact du, **7:44,50-2,57-9**

- Harkin, Zoe**, graduate student, University of British Columbia
Climate change, Impact of, **12:54-6,58**
- Harron, Bill**, Project Leader, National Land and Water Information Service, Agriculture and Agri-Food Department
Climate change, Impact of, **9:56**
- Hedley, Harold A.**, Director, Grains and Oilseeds Division, Agriculture And Agri-Food Department
Value-added agricultural, agri-food and forest products, **18:14**
- Hengeveld, Henry**, Chief Science Advisor, Climate Change, Environment Department
Climate change, Impact of, **2:5-36; 19:21-34**
- Hilderbrandt, Terry**, President, Agricultural Producers Association of Saskatchewan
Climate change, Impact of, **9:125-7,131**
- Hirsch, Kelvin**, Forest Research Officer, Northern Forestry Centre, Canadian Forest Service, Natural Resources Department; Forest Sector Scientific Director, Canadian Climate Change Impact and Adaptation Research Network
Climate change, Impact of, **10:7-15,65-8**
- Hnatiuk, Joe**, President, Ecotourism Society of Saskatchewan
Climate change, Impact of, **9:7-14**
- Hogan, Keli**, Clerk of the Committee
Election of Acting Chair, **14:3,5**
- Howe, Nicole**, Policy Analyst, Canadian Federation of Agriculture
Climate change, Impact of, **7:66-7,72**
- Hucq, Andre**, Professor, University of Saskatchewan
Climate change, Impact of, **9:76-79,83-4,87-9**
- Huebener, Alrick**, Manager, Policy Development, Environment Bureau, Agriculture and Agri-Food Department
Climate change, Impact of, **3:13,15,19-20,23-4,28-30**
- Innes, John**, Professor, Department of Forest Resources Management, University of British Columbia
Climate change, Impact of, **12:39-43,46-54,57-60**
- Islam, Rafique**, Sector Advisor, Metis Nations of Alberta
Climate change, Impact of, **10:95-105,107**
- James, Lois**, Director, Renewal Programs, Renewal and Innovations Team, Agriculture and Agri-Food Department
Value-added agricultural, agri-food and forest products, **18:23-4**
- Janzen, Henry**, Soil scientist, Lethbridge Research Centre, Agriculture and Agri-Food Department
Climate change, Impact of, **11:53-9,64,68-73**
- Jaworski, John**, Senior Industry Development Officer, Life Sciences Branch, Industry Department
Climate change, Impact of, **3:14-5**
- Johnson, Peter**, Science Advisor, Northern Region, Canadian Climate Change Impact and Adaptation Research Network
Climate change, Impact of, **4:65-6,70-1,74-6,79-80**
- Johnston, Mark**, Senior Research Scientist, Saskatchewan Research Council and Prairie Adaptation Research Collaborative
Climate change, Impact of, **9:37-48**
- Kamenz, Geri**, Chair, Environment and Science Committee, Vice-President, Ontario Federation of Agriculture, Canadian Federation of Agriculture
Climate change, Impact of, **7:59-73**
- Lac, Silvia**, Volunteer, Nature Saskatchewan
Climate change, Impact of, **9:57-69**
- Egginton, Paul**, directeur exécutif, Direction des impacts et de l'adaptation liés au changement climatique, ministère des Ressources naturelles
Changement climatique, impact du, **3:11,39-41,45-6,51,55-6**
- Evans, Brian**, vétérinaire en chef du Canada, Agence canadienne d'inspection des aliments
Encéphalopathie bovine spongiforme, **21:39-41,45-7,50-6,58-60**
- Fox, Elliot**, responsable du dossier des terres, Tribu des Indiens du Sang
Changement climatique, impact du, **11:43-4**
- Gameda, Samuel**, chercheur scientifique, Sol, eau, air et systèmes de Production, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **15:41-4,51,53,57-9,61,64-5**
- Giesbrecht, Larry**, président, BioGem Power Systems Inc.
Changement climatique, impact du, **10:90-2,94-5**
- Gladue, Trevor**, vice-président provincial, Metis Nations of Alberta
Changement climatique, impact du, **10:108-9**
- Grant, Robert**, professeur associé, Département des ressources renouvelables, University of Alberta
Changement climatique, impact du, **10:48-57**
- Guyon, Bart**, vice-président, Alberta Association of Municipal Districts and Counties
Changement climatique, impact du, **10:71-9,81-6**
- Haddow, Paul**, directeur exécutif, Affaires internationales, Agence canadienne d'inspection des aliments
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **20:65-7**
- Haney, Ted**, président, Canada Beef Export Federation
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **22:5-29**
- Hardy, Neal**, président, Saskatchewan Association of Rural Municipalities
Changement climatique, impact du, **9:14-26**
- Harkin, Zoe**, étudiante de troisième cycle, University of British Columbia
Changement climatique, impact du, **12:54-6,58**
- Harron, Bill**, chef de projet, Service national d'information sur la terre et les eaux, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **9:56**
- Hedley, Harold A.**, directeur, Division des grains et des oléagineux, ministère de l'Agriculture et de l'Agroalimentaire
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **18:14**
- Hengeveld, Henry**, conseiller scientifique principal, Changement climatique, ministère de l'Environnement
Changement climatique, impact du, **2:5-36; 19:21-34**
- Hilderbrandt, Terry**, président, Agricultural Producers Association of Saskatchewan
Changement climatique, impact du, **9:125-7,131**
- Hirsch, Kelvin**, agent à la recherche forestière, Centre de foresterie du Nord, Service canadien des forêts, ministère des Ressources naturelles; directeur scientifique, secteur des forêts, Réseau canadien de recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **10:7-15,65-8**
- Hnatiuk, Joe**, président, Ecotourism Society of Saskatchewan
Changement climatique, impact du, **9:7-14**
- Hogan, Keli**, greffière du comité
Élection du président suppléant, **14:3,5**

- Lavoie, Gilles**, Senior Director General, Operations, Market and Industry Services Branch, Agriculture and Agri-Food Department
Bovine spongiform encephalopathy, **21**:57,60
- Lazar, Avrim**, President, forest Products Association of Canada
Climate change, Impact of, **7**:6-25
- Lemmen, Donald S.**, Research Manager, Climate Change Impacts and Adaptation Directorate, Earth Sciences Sector, Natural Resources Department; Acting Executive Director, Climate Change Impacts and Adaptation Directorate, Earth Sciences Sector, Natural Resources Department
Climate change, Impact of, **3**:46; **19**:5-8,10-1,13,15,17,19-21
- Lindwall, Wayne**, National Program Leader for Environment, Agriculture and Agri-Food Department
Climate change, Impact of, **4**:22-3,29-30,32,37,39-40
- Loneragan, Steve**, Professor, Department of Geography, University of Victoria
Climate change, Impact of, **12**:75-82,96,100-3,110-14,116
- Lyman, Robert**, Director General, Environmental Affairs, Transport Department
Climate change, Impact of, **3**:27
- MacKenzie, Perry**, Chairman, Prairie Pasta Producers
Value-added agricultural, agri-food and forest products, **22**:30-5,37-9, 43,45-9
- MacLeod, Neil**, Director General, Energy Efficiency, Natural Resources Department
Climate change, Impact of, **3**:18-9
- Malcolm, Jay R.**, Associate Professor, University of Toronto
Climate change, Impact of, **15**:21-39
- Marshall, Jim**, Assistant Deputy Minister, Resources and Economic Policy, Saskatchewan Industry and Resources, Government of Saskatchewan
Climate change, Impact of, **9**:115-6
- Marsland, Andrew**, Assistant Deputy Minister, Market and Industry Services Branch, Agriculture and Agri-Food department
Bovine spongiform encephalopathy, **21**:39,41-5,48-9
- Martel, Jean-Pierre**, Vice-President, Sustainability, Canadian Federation of Woodlot Owners
Climate change, Impact of, **7**:9-13,18-24
- May, Elizabeth**, Executive Director, Sierra Club of Canada
Climate change, Impact of, **6**:45-7,51-64
- McBean, Gordon**, Chair, Canadian Foundation for Climate and Atmospheric Sciences
Climate change, Impact of, **8**:5-18,29-36,38-9,41-2
- McDougal, Rhonda**, Associate Scientist, Carbon Research, Ducks Unlimited Canada
Climate change, Impact of, **8**:62-70,72-3,76-8,80,82-3
- McGinn, Sean**, Research Scientist, Lethbridge Research Centre, Agriculture and Agri-Food Department
Climate change, Impact of, **11**:59-65
- McGregor, Gordon**, Acting Director, Cross Sectoral Industry Affairs Division, Food Bureau, Agriculture and Agri-Food Department
Value-added agricultural, agri-food and forest products, **18**:15
- McKinnon, Greg**, Forest Sector Coordinator, Canadian Climate Change Impact and Adaptation Research Network
Climate change, Impact of, **10**:57-70
- Howe, Nicole**, analyst des politiques, Fédération canadienne de l'agriculture
Changement climatique, impact du, **7**:66-7,72
- Hucq, Andre**, professeur, University of Saskatchewan
Changement climatique, impact du, **9**:76-9,83-4,87-9
- Huebener, Alrick**, gérant, Développement des politiques, Bureau de l'environnement, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **3**:13,15,19-20,23-4,28-30
- Innes, John**, professeur, Department of Forest Resources Management, University of British Columbia
Changement climatique, impact du, **12**:39-43,46-54,57-60
- Islam, Rafique**, conseiller sectoriel, Metis Nations of Alberta
Changement climatique, impact du, **10**:95-105,107
- James, Lois**, directrice, Programme du renouveau, Équipe du renouveau et de l'innovation, ministère de l'Agriculture et de l'Agroalimentaire
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **18**:23-4
- Janzen, Henry**, pédologue, Centre de recherches de Lethbridge, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **11**:53-9,64,68-73
- Jaworski, John**, agent principal de développement industriel, Sciences de la vie, ministère de l'Industrie
Changement climatique, impact du, **3**:14-5
- Johnson, Peter**, conseiller scientifique, Territoires du Nord, Réseau canadien de recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **4**:65-6,70-1,74-6,79-80
- Johnston, Mark**, conseiller principal en recherche, Saskatchewan Research Council and Prairie Adaptation Research Collaborative
Changement climatique, impact du, **9**:37-48
- Kamenz, Geri**, président, Comité sur l'environnement et la science, vice président, Fédération de l'agriculture de l'Ontario, Fédération canadienne de l'agriculture
Changement climatique, impact du, **7**:59-73
- Lac, Silvia**, bénévole, Nature Saskatchewan
Changement climatique, impact du, **9**:57-69
- Lavoie, Gilles**, directeur général principal, Opérations, Direction générale des services à l'industrie et aux marchés, ministère de l'Agriculture et de l'Agroalimentaire
Encéphalopathie bovine spongiforme, **21**:57,60
- Lazar, Avrim**, président, Association des forestiers du Canada
Changement climatique, impact du, **7**:6-25
- Lemmen, Donald S.**, gestionnaire de la recherche, Direction des impacts et de l'adaptation liés au changement climatique, Secteur des sciences de la terre, ministère des Ressources naturelles; directeur exécutif intérimaire, Direction des impacts et de l'adaptation liés au changement climatique, Secteur des sciences de la terre, ministère des Ressources naturelles
Changement climatique, impact du, **3**:46; **19**:5-8,10-1,13,15,17,19-21
- Lindwall, Wayne**, chef du programme national, Santé de l'environnement, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **4**:22-3,29-30,32,37,39-40
- Loneragan, Steve**, professeur, faculté de géographie, University of Victoria
Changement climatique, impact du, **12**:75-82,96,100-3,110-14,116
- Lyman, Robert**, directeur général, Affaires environnementales, ministère des Transports
Changement climatique, impact du, **3**:27

- McPherson, Arita**, Director of Agriculture Policy, Saskatchewan Association of Rural Municipalities
Climate change, Impact of, **9:23-5**
- Mehta, Michael**, Professor, University of Saskatchewan
Climate change, Impact of, **9:26-37**
- Meikle, Grant**, Vice-President, BioGem Power Systems Inc.
Climate change, Impact of, **10:86-91,93-4**
- Mendelsohn, Robert**, Professor, Yale University
Climate change, Impact of, **14:5-13,18-30**
- Menzies, Ted**, President, Canadian Agri-food Trade Alliance
Value-added agricultural, agri-food and forest products, **21:6-19,21-4, 26-37**
- Miller, Gordon E.**, Director General, Science Branch, Canadian Forest Service, Natural Resources Department
Climate change, Impact of, **3:32-56; 19:4-5,8-9,11-3,15-9**
- Miller, Susie**, Director, Co-operatives Secretariat, Agriculture and Agri-Food Department
Value-added agricultural, agri-food and forest products, **18:20-1,24**
- Mooney, Siân**, Assistant Professor, University of Wyoming
Climate change, Impact of, **15:79-88**
- Nagy, Cecil**, Professor, University of Saskatchewan
Climate change, Impact of, **9:80-2,89**
- Neilsen, Denise**, Research Scientist, Resource Unit, Pacific Agri-Food Research Centre, Agriculture and Agri-Food Department
Climate change, Impact of, **12:117-30**
- Nichols, Tom**, Director General, Atmospheric Monitoring and Water Survey Directorate, Meteorological Service of Canada, Environment Department
Climate change, Impact of, **15:123-42**
- Nicholson, Bill**, Director, Canadian Wheat Board
Value-added agricultural, agri-food and forest products, **20:30-1,34-5**
- Nystuen, Gordon**, Deputy Minister, Saskatchewan Agriculture, Food and rural Revitalization, Government of Saskatchewan
Climate change, Impact of, **9:109-113**
- O'Connor, Ron**, Vice-Chairman, National Farm Products Council
Value-added agricultural, agri-food and forest products, **20:11-2,14,16, 19,21,23**
- Ogden, Aynslie**, Manager, Northern Regions, Canadian Climate Change Impact and Adaptation Research Network
Climate change, Impact of, **4:44-55,66,75-8**
- Ollikka, Cory**, Past President, National Farmers Union
Climate change, Impact of, **7:43-50,53-6,59**
- Olver, Cecilia**, Vice-President, Agricultural Producers Association of Saskatchewan
Climate change, Impact of, **9:119-22,126,129**
- Patterson, Carol**, President, Kalahari Management Inc.
Climate change, Impact of, **10:18-28**
- Patton, Allen**, Director, British Columbia Agriculture Council
Climate change, Impact of, **12:19-29**
- Pearson, David**, Chair, Ontario Region, Canadian Climate Change Impact and Adaptation Research Network
Climate change, Impact of, **4:55-64,67-74,78-80**
- MacKenzie, Perry**, président, Prairie Pasta Producers
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **22:30-5,37-9,43,45-9**
- MacLeod, Neil**, directeur général, Efficacité énergétique, ministère des Ressources naturelles
Changement climatique, impact du, **3:18-9**
- Malcolm, Jay R.**, professeur agrégé, University of Toronto
Changement climatique, impact du, **15:21-39**
- Marshall, Jim**, sous-ministre adjoint, Ressources et politique économique, ministère de l'Industrie et des Ressources, gouvernement de la Saskatchewan
Changement climatique, impact du, **9:115-6**
- Marsland, Andrew**, sous-ministre adjoint, Direction générale des services à l'industrie et aux marchés, ministère de l'Agriculture et de l'Agroalimentaire
Encéphalopathie bovine spongiforme, **21:39,41-5,48-9**
- Martel, Jean-Pierre**, vice-président, Durabilité d'urgence, Association des produits forestiers du Canada
Changement climatique, impact du, **7:9-13,18-24**
- May, Elizabeth**, directrice exécutive, Sierra Club du Canada
Changement climatique, impact du, **6:45-7,51-64**
- McBean, Gordon**, président, Fondation canadienne pour les sciences du climat et de l'atmosphère
Changement climatique, impact du, **8:5-18,29-36,38-9,41-2**
- McDougal, Rhonda**, chargée de recherche associée, Recherche sur le carbone, Canards illimités Canada
Changement climatique, impact du, **8:62-70,72-3,76-8,80,82-3**
- McGinn, Sean**, chercheur, Centre de recherches de Lethbridge, ministère de l'Agriculture et de l'Agroalimentaire
Changement climatique, impact du, **11:59-65**
- McGregor, Gordon**, directeur intérimaire, Division des affaires Intersectorielles de l'industrie, Bureau des aliments, ministère de l'Agriculture et de l'Agroalimentaire
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **18:15**
- McKinnon, Greg**, coordonnateur, secteur des forêts, Réseau canadien de recherche sur les impacts climatiques et l'adaptation
Changement climatique, impact du, **10:57-70**
- McPherson, Arita**, directrice, Politiques agricoles, Saskatchewan Association of Rural Municipalities
Changement climatique, impact du, **9:23-5**
- Mehta, Michael**, professeur, University of Saskatchewan
Changement climatique, impact du, **9:26-37**
- Meikle, Grant**, vice-président, BioGem Power Systems Inc.
Changement climatique, impact du, **10:86-91,93-4**
- Mendelsohn, Robert**, professeur, Yale University
Changement climatique, impact du, **14:5-13,18-30**
- Menzies, Ted**, président, Alliance canadienne du commerce agroalimentaire
Produits agricoles, agroalimentaires et forestiers à valeur ajoutée, **21:6-19,21-4,26-37**
- Miller, Gordon E.**, directeur général, Direction des sciences, Service canadien des forêts, ministère des Ressources naturelles
Changement climatique, impact du, **3:32-56; 19:4-5,8-9,11-3,15-9**

- Perez-Garcia, John**, Associate Professor, Center for International Trade in Forest products, College of Forest Resources, University of Washington
Climate change, Impact of, **15:89-100**
- Presley, Michael**, Director General, Food Bureau, Food Safety and Quality, Agriculture and Agri-Food Department
Value-added agricultural, agri-food and forest products, **18:6-19, 22-8**
- Preston, Caroline**, Senior Research Scientist, Pacific Forestry Centre, Canadian Forest Service, Natural Resources Department
Climate change, Impact of, **12:13-4**
- Quintal, George**, Regional President, Metis Nation of Alberta
Climate change, Impact of, **10:103-7**
- Reilly, John**, Associate Director Research, Massachusetts Institute of Technology
Climate change, Impact of, **14:13-23,25-7,29-31**
- Ritter, Ken**, Chair, Canadian Wheat Board
Value-added agricultural, agri-food and forest products, **20:24-9,31-8, 40-1**
- Roulet, Nigel**, Professor, Department of Geography, McGill University
Climate change, Impact of, **8:18-28,35-42**
- Rousselle, Gilles L.**, Acting Director, General Research, Planning and Coordination, Agriculture and Agri-Food Department
Value-added agricultural, agri-food and forest products, **18:26**
- Ruggles, Bob**, Assistant Deputy Minister, Programs Division, Saskatchewan Environment, Government of Saskatchewan
Climate change, Impact of, **9:110-1**
- Rykes, Petrus**, Vice-President, Land and Environment Portfolio, Council of Tourism Associations of British Columbia
Climate change, Impact of, **12:29-38**
- Sauchyn, David**, Coordinator, Prairies Region, Canadian Climate Impacts and Adaptation Research Network
Climate change, Impact of, **6:6-13,24-30,32-5,37-8,41-3**
- Shade, Chris**, Chief, Blood Indian Tribe
Climate change, Impact of, **11:36-46,49**
