7.0	TRAVEL EXPENSES
7.1	<b>Application and Principles</b>
7.1.1	Pursuant to section 1.1.2 of this policy, this chapter applies to all eligible travellers.
7.1.2	Travel is a necessary component of a senator's parliamentary functions.
7.1.3	<p>At all times, the primary purpose of travel shall be related to a parliamentary function and travel expenditures shall be justifiable, appropriate, reasonable, and well documented.</p> <p>Private travel, of a maximum of 7 days cumulative, can be combined with a trip related to a parliamentary function. The private travel must be at the destination of the parliamentary function or en route to or from that destination. For a trip that includes a private travel longer than 7 days, the primary purpose of the travel will not be considered parliamentary function.</p>
7.1.4	Travel expense claims must provide a specific purpose for each trip in respect of which a claim for reimbursement is made, along with supporting documentation, if applicable.
7.1.5	Equitable travel resources shall be provided regardless of where senators live in Canada.
7.1.6	Travel resources shall accommodate health, safety, and physical special needs.
7.1.7	<p>Unless otherwise indicated, the departure and arrival locations for all travel shall be:</p> <ul style="list-style-type: none"><li>a) the senator's province or territory;</li><li>b) the Parliamentary District; or</li><li>c) a location where the senator was conducting a parliamentary function.</li></ul> <p>This provision does not apply in cases where senators are recalled to the Parliamentary District for unscheduled Senate sittings, Senate committee meetings or caucus meetings.</p> <p>Travellers may also request an exemption when they need to use a specific travel pattern on a regular basis that is more practical and convenient and where the cost is equivalent or less. Such exemptions must be requested by submitting written justification and supporting documents, including a cost comparison. Exemptions must be pre-approved in writing by the CIBA.</p>
7.1.8	<p>When the primary purpose of travel is related to a senator's parliamentary function and such travel is combined with private travel or business, additional expenses related to private travel or business shall not be reimbursed, including:</p> <ul style="list-style-type: none"><li>a) per diems;</li><li>b) transportation; and</li><li>c) accommodation.</li></ul>
7.1.9	Only the expenses incurred by a senator that are related to a parliamentary function during travel that does not have as its primary purpose a parliamentary function shall be reimbursed by the Senate.
7.1.10	The mode of transportation shall be selected on the basis of cost, convenience, safety and practicality. However, using a mode other than air travel, Senate funding for transportation costs shall not exceed the estimated cost of travelling by air (full fare ticket) in situations where air travel was readily available.
